

# Meet the Buyer Event for Local Construction Supply Chain

Clugston Construction is currently delivering the Service Offshore Building for **Siemens at Greenport, Hull** and seeking local suppliers for the office element to assist with the following packages.

- Block Paving & Street Furniture
- Ceilings - including acoustic panels
- Ceramic Tiling
- Cubicles, Vanity Units and Panels
- Flood Barriers
- Floor Coverings
- Joinery incl. Materials
- Lockers
- Miscellaneous Secondary Steelwork
- Painting
- Partitions - Plastering - Walls and Ceilings
- Partitions - Glazed
- Window Blinds

**When** : 9am to 12 noon Friday 19th February 2016

**Where** : Victoria Dock Village Hall, Southbridge Road, Victoria Dock, Hull HU9 1TS

**Why** : To meet the Clugston team, find out about the project and how to join our supply chain

A number of Clugston staff will be attending the event to meet local suppliers and subcontractors to discuss the opportunities and packages available.

Interested parties are welcome to attend on the day. However we advise you to contact Clugston in advance to be assured of a one to one meeting.
